

**WORLD BIRD
SANCTUARY
PRESENTS:**

ALL ABOUT EAGLES

**May 31, 2025, at 10 a.m.
Robertsville State Park**

Join us in the day-use area to explore the natural history of eagles and get an introduction to conservation biology. You will even get to see live eagles in person during this exciting event! This program is free and open to the public. For the birds' safety, pets will not be allowed.
