Join us for an evening of storytelling and history! We'll kick off the night with local favorite storytellers Mike and Nancee Micham – known as “EznDil” – as they share family-friendly spooky stories. You'll also have the opportunity to stroll the site's lantern-lit gravel path en route to the historic cemeteries and the Boone home to learn how the residents of the Boone Homestead dealt with death and the loss of loved ones.

Haunts will be outside – please dress for the weather and bring seating. Don't let the cold temperatures scare you away.

An American Sign Language Interpreter will be available.

Call 417-751-3266 for more information. The homestead is located at 7850 N. Highway V in Ash Grove.
