

Current River Management Unit (Current River State Park, Echo Bluff State Park and Roger Pryor Pioneer Backcountry)

- **Public Meeting date:** 5/10/2025
- **Meeting open house:** Park Staff was available to patrons at a booth located outside the Echo Bluff Lodge as part of their annual Summer Kick-off event.
- **Meeting agenda:** A booth was setup from 1-4 p.m. Park Staff was available to answer questions, data sheets and other park brochures, stickers and hand outs were available for people to take; a slide show was playing with park accomplishments and other photos, construction spec books of the Echo Bluff Cabins and Current River project were available to browse through; we also had our 360 virtual heritage tablet available to use.
- **Number of participants:** 37 guests stopped by the booth
- **List of local elected officials attended:** None
- **List of state elected officials attended:** None
- **List of key stakeholders/groups attended:** None
- **List of media attended:** None
- **Summary of discussion topics, including the information presented and any public comment or discussion at the meeting:** Many guests asked general questions about the Echo Bluff Cabins and the project at Current River. Many commented on how much they enjoyed the park and love coming back every year. One guest commented on his disappointment at the condition of the pond next to the Echo Bluff Lodge. He mentioned the number of snakes, too much algae and lack of fish.
- **Other observations/comments:** None
