

First Missouri State Capitol State Historic Site

Statehood Day/Public Meeting

8/10/2022

Agenda

3pm – 7pm Statehood day event and activities

- Historic Site open to the public. Public is invited to walk through the First Missouri State Capitol Building and interact with site team members and learn about each of the rooms offered on the tour.
- Wood shop demonstrators. First Missouri State Capitol State Historic Site volunteers will be working in the woodshop demonstrating 19th century woodworking techniques and items
- Basket weaving in backyard. Missouri State Capitol State Historic Site volunteer demonstrating basket weaving techniques in the back yard
- Lewis and Clark Fife and Drum Core playing music throughout the day
- St. Charles Historical Society. Informational booth about activities and history of the city.
- Master Gardener's booth. First Missouri State Capitol State Historic Site volunteers were on hand to discuss our heirloom garden and other activities.
- Babler State Park team members were on hand highlighting various State Symbols including the box turtle.
- 19th century toys and games demonstration by First Missouri State Capitol State Historic site team members.
- Button making
- San Carlos Militia re-enactors
- Birthday cake available to all visitors

4pm

- Sidewalk ribbon cutting event. Jamie Henry and Brian Stith were played onto the sidewalk by the Lewis and Clark Fife and Drum Corp. We then provided information on the projects history and completion date. Kevin Albrecht, Greg Combs, Steve Niemeier, and Susan Love all did the actual ribbon cutting.

5pm – 7pm

- In addition to our ongoing Statehood day event, we held a joint public meeting with Confluence State Park. Jamie Henry and Quinn Kellner had a booth set up to speak with the public regarding both of our State Parks. Both Jamie and Quinn also walked around the event to interact with the public.

7pm – 8pm

- Buckhannon Brothers concert at our Log Cabin.
