

Hyde Park District Boundary Increase – Parcel Map

The property labeled 1513-29 Herder is mislabeled and should read 1521-23. This map shows 1513 Herder with the boundary line going through the property, however this map should include 1513 as a Contributing resource that is within the boundary. Further, per the 7/12/13 letter from the NPS on file at the SHPO, 3332 N 19th is non-contributing.
