Kyle Scott

We will get on the tram and view areas of past, present and future projects. This will be a time that participants can participate in an open discussion and provide input.

Future Projects:

Full Hook-up campsite revenue bond project

Cabin revenue bond project

Showerhouse project

La Grange sewer connection

Internal park wastewater upgrades

Beach building project

Past Projects:

Agate lake kayak launch

Walk-in campsites built

Current Projects:

Picnic table pad replaced

Beach area retaining wall

Wakonda Campground site work

Erosion control around culverts

Natural Resource Management

RX burns

Invasive species management

Programs

Learn to paddle programs throughout the summer

School groups

Public Comments:

More children's programs on weekends

Make some buddy sites

When we return to the shelter, ice cream and cookies will be available.

14 people in attendance.
