Meet park staff at the start of Nyblad Trail in the East Campground for a guided night hike. We will begin by hiking down Nyblad Trail while learning how to call for owls. Once we get to the end of the trail in the West Campground, hikers can continue with park staff through the West Campground or follow other park staff back down the trail to the East Campground.

Lanterns will be available for those who don't bring a flashlight. Hikers, beware: It will be a full moon, so watch out for werewolves.

This event is free and open to the public.
