

Bryant Creek State Park
Public Meeting
Aug. 17, 2023

The public meeting was held 8/17/2023 at 6p.m. it was a town hall with 13 people from the public in attendance.

State Senator Karla Eslinger and State Representative Travis Smith were invited but did not come.

One topic discussed that wasn't on the agenda was the action track chairs and the use of them, we had multiply people test out the ATC at the meeting and everyone seemed impressed by it.

Questions from the public were mostly concerning the new day use area and multi-use trails such as,
Will ebikes be allowed or not?

Will there be any accessible trails near the south day use area?

How big will the future parking area be?

And what all will be allowed on the multi-use trails?
