- By 7:30 p.m. each evening, go to check station for a list of vacant one day tags to be pulled or posted
- Pull or post vacant one day tags and return to Check Station
- Post camping permits on boards
- Make sure that all sites are paid and have camping permits posted
- Pick up litter around campsites and creek
- Find vacant sites for incoming campers as needed
- Work at Check Station using computer on scheduled days
- Work at Wood Lot to sell firewood at designated times
- By checkout time (2 p.m.), pull expired camping permits off the board and notify park staff if campers are not vacating their time on time
- Answer camper questions and patrol campgrounds. Check for more than two tents, or one trailer and one tent on a campsite. No moped drivers without a driver's license, check for dogs off leashes and noise.
- An hour before closing, check campsites to determine which sites are required to pay camp fees and report to Check Station
- Tell bicycle riders after dark, no riding without lights on bicycles
- Check shower houses for toilet paper and litter on floor
- Assist fee collectors with any requests that they might have through the evening
- Assist with special events or campground projects
- Restrooms need to be checked each evening. On weekends (Friday and Saturday) two checks should be made. The following items should be inspected:
 - Refill any empty (or nearly empty) toilet paper dispensers
 - Pick up any litter or obviously abandoned items
 - Examine toilet and shower stalls for vandalism
 - Plunge any un-flushable toilets
 - Sweep leaves or dirt away from entryways
 - Remove litter and old soap from shower stalls
