

## POST CONSTRUCTION CERTIFICATE

This certificate must be submitted with the final billing. The form must be signed by the project sponsor and by the architect or engineer who supervised the construction. If the project did not involve a contract architect or engineer, the project sponsor's architect, engineer or project manager should inspect the project and sign the form.

### As-Built Plans

One copy of as-built site plans must be submitted to the Grants Management Section, with a copy retained in the project sponsor's file. If deviations in design were not made to plans previously submitted the Grants Management Section, a set of the original as-built plans with a revised date is sufficient. As-built plans must include:

- a) Elevations and floor plans of structures, indicating ADA-compliance.
- b) A stamp by a certified architect or engineer, if the project involved either.
