# Hunter-Dawson State Historic Site Accessibility Information

The symbol  indicates that the specified area is fully compliant with Americans with Disabilities Act Accessibility Guidelines (ADAAG).

## Historic Site Office

A large, level parking lot offers a paved handicap space adjacent to a pathway leading to the office entrance. A restroom is available with a side-transfer toilet and accessible lavatory.

## Hunter-Dawson Mansion

Access to the grounds is over natural grass turf. The ground is solid during dry weather and mostly level. Those with mobility impairments may drive over to the old parking lot or the back yard of the house. The porch has four steps and the threshold is raised two inches. Some visitors may need assistance. Once inside this beautiful mansion, the whole main floor is accessible. The stairway to the second floor has a banister.
