Sandy Creek Covered Bridge State Historic Site Accessibility Information

This historic site has paved parking with two handicap spaces. An accessible picnic site is located directly off the parking lot and offers a paved pathway and pad, an extended-end picnic table and a pedestal grill.

An interpretive kiosk and a water fountain are located along the pathway that winds under huge shade trees to the bridge. The path is gravel at this time.

Accessible vault toilets have a handicap parking space with a paved pathway. The vault toilets are of side-transfer design.
